

(Form #CW7-1)

**Complete the following Exercise with your client**

To gain insight into Religious Trauma of your client.

The client says the stem sentence out aloud and fills in the gaps with their spontaneous thoughts.

People are out to .....

God is out to .....

People is out to .....

God is out to .....

People are out to .....

God is out to .....

People are out to .....

God is out to .....

People are out to .....

God is out to .....
